Once you have downloaded the app, follow the instructions below:

## How to register for classes:

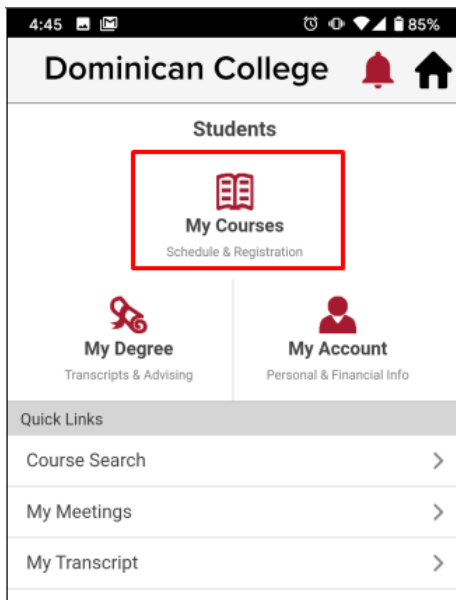

1. Login to the app. Use the same credentials as your DC Portal login. Select "Remember Me" to save your password and login faster next time.

2. Select the Students page

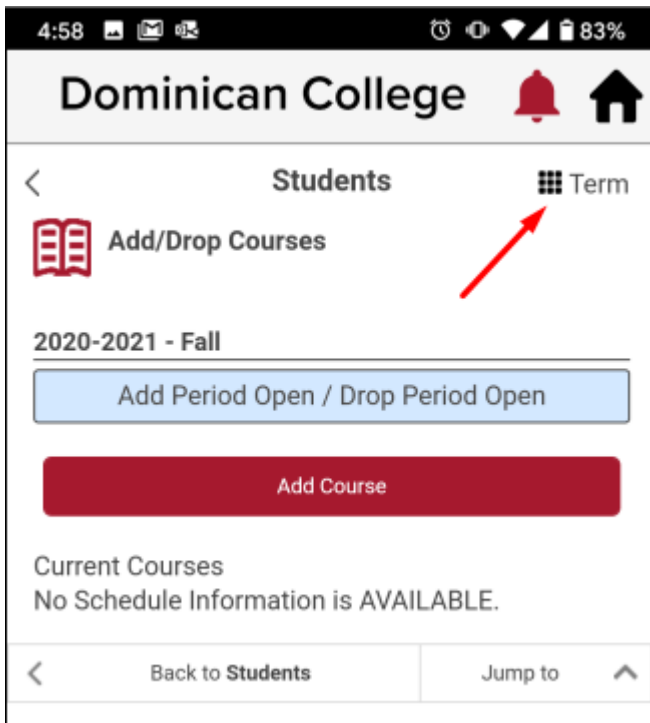

3. Select "My Courses"

4. Select "Course Search"

5. Select the Term that you want to register for. Click Add Course.

6. Enter criteria to find your class. You must use at least one criteria. Try to use only one criteria at a time when searching. Use one of the following:
- You can use partial searches in the Course Title (ex: "Hist")
  - You can use partial searches in the Course Code (ex: "AC" or "BI")
  - Select a department or faculty from the dropdown
